## General Information:

Fall season runs eight games and the spring season runs seven to eight games. Boys and girls play on the same team (co-ed). Students can participate in just one season and not the other, but there is no discount. Teams are reformed each season with the intention to balance both age and experience within a team. Requests will be considered but are not guaranteed. Children of coaches and assistant coaches will be on their parent's team unless otherwise specified. Likewise children from the same family within the same age level will be out on the same team unless otherwise specified.

Registration fees are not refundable after three business days.

- I/We grant permission for the Kewaskum Youth Soccer Organization to use the above player photo for publication on the club's website.
